

NEW ARKANSAS NORTHEASTERN COLLEGE SCHOLARSHIP OPPORTUNITY

NUCOR DIPLOMA SQUARED SCHOLARSHIP

GUIDELINES

- Attend a public or private high school in Mississippi (including Buffalo Island Central), Dunklin, New Madrid, and Pemiscot counties.
- Achieve placement test score eligible for Early College courses (ACT of 19+)
- Achieve a 95% attendance and punctuality record during all high school semesters (9th grade onward) prior to current semester
- Have no drug or DWI offences
- Maximum of 15 credit hours per term (Fall, Spring, and collective Summer)
- Must have achievable path to earn Certificate of General Studies (or beyond) by final term of high school senior year
- Pay net tuition/mandatory fee cost of \$10 per credit hour
- Receive up to \$100 per course for books/mandatory supplies (limited to actual cost)
- Total limit of scholarship assistance to all students equal to \$75,000 per year; first come, first served with priority given to students already in Nucor Diploma Squared program
- Cannot combine Nucor Diploma Squared Scholarship and Early College Scholarship in same semester
- Agree to provide Nucor-Yamato Steel and Nucor Steel Arkansas with student and parent address and telephone contact information for purposes of outreach outlining potential college assistance opportunities for students majoring in upperclassmen fields sought by Nucor (engineering, metallurgy, chemistry, etc.)
- Student and parent(s) agree to participate in two Nucor/ANC feedback discussion events hosted at ANC occurring (1) near the end of the student's first year in the program, and (2) near the end of the student's senior year
