Associate Degree Student Nurse Club Activities

The Associate Degree Student Nurse Club participated in making Valentine's Day bags for the children at Le Bonheur Children's Hospital. The students hope that these bags will help brighten the days of some sick children. Both first and second year ADN students contributed to this project. They went above and beyond on these! They were decorated very cute with neat gifts inside. The students really participated in this project and we are very proud of their effort. Dr. Kim Weathers, DNP, MSN, RN and Shauna Winchester, MSN, RN are the sponsors for the ADN Student Nurse Club.

ANC Career Pathways Success

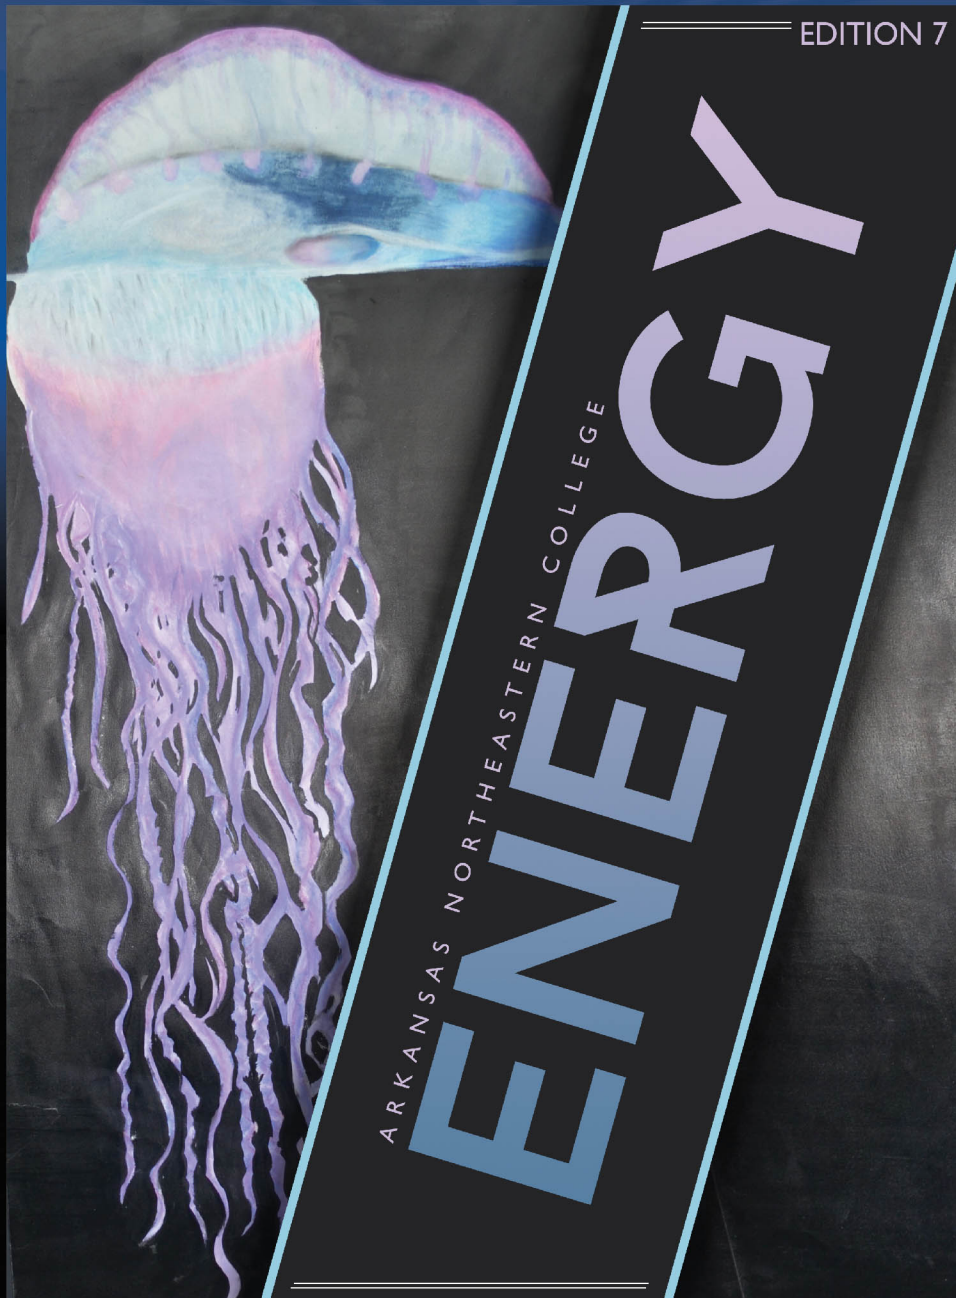

Congratulations to the ANC Career Pathways students and staff for leading the state among all community college CPI Programs in overall enrollment, attainments, completions, and employment. The data is based on the 2019 Annual Institutional Performance report from all two-year colleges.

“We are pleased to have such strong numbers going into our last quarter,” CPI Program Director, Pauline Linam Parks said. “Our students along with CPI Advisors, Maci Jones and Tara Adams, work so well together to have these positive outcomes.” Currently, the program serves 222 Arkansas residents who are parents. CPI wrap-around services include one-on-one personal advising, student supportive services that include monies for tuition, fees, books, course related supplies, transportation, and childcare. In addition, the staff assists with employability-preparedness.
