What is EOB?

An explanation of Benefits (EOB) is a lot of things....but it is NOT A BILL.

The Explanation of Benefits (EOB) shows the details of your medical and pharmacy expenses and how health insurance covers each. It's a summary of your claims activity that includes:

1. Total charge: The total amount a provider charged for the services
2. Member discount: Discounts are negotiated with providers. As a member, you get the benefit of these negotiated, discounted rates and if you use an in-network provider, they agree not to bill you for any covered service above your deductible, copay, and coinsurance. However, out-of-network providers may bill you for any part of total charges not paid by your plan.
3. Your plan(s) paid: The amount Arkansas Blue Cross and Blue Shield paid based on the benefit coverage and the contractual agreement with the providers
4. Your responsibility: Providers can bill you for this amount, if you have not paid

You may have paid your responsibility already. If not, this is the amount you can expect to be billed from your healthcare provider at some point. Always compare the bill you receive from your medical provider with your EOB.

You will not receive a bill from BlueCross BlueShield. EOBs are sent every two weeks. Each EOB will include any medical or pharmacy claims we processed for you within that time. You may be able to see information about a claim before your EOB is ready when you sign into your Blueprint member portal.

Dental Care...what is covered under my dental insurance preventative benefit?

Preventive dental services include routine oral exams, X-rays, cleanings, sealants, and fluoride treatments and are covered at 100%. Regular dental cleanings help prevent tooth decay and gum infection. You get two visits per year- so be sure to schedule these appointments with your dentist to get the most out of your policy!

If you must visit your dentist for fillings, root canals or extractions, you've gone beyond preventive dental care and basic required procedures. For more information login to the portal, click on employee resources and read the Delta Dental Coverage benefit.
