**Associate Degree Nursing (RN) Program - Traditional Option**  
**Information Guidelines**  
**2023-2024**

The Associate Degree Nursing (ADN) Program at Arkansas Northeastern College (ANC) is a two-year associate degree program that prepares students to become registered nurses. The program consists of general education courses and nursing courses combined with client care in clinical settings to include hospitals and other health care facilities in the service area. The nursing courses integrate application of the nursing process, communication skills, nutrition, pharmacology, and drug administration in the care of clients. Legal and ethical responsibilities along with current trends in nursing and health care are integrated throughout the curriculum. Upon successful completion of the nursing program, students graduate with the Associate in Applied Science Degree and contingent on meeting application criteria are eligible to take the National Council of Licensure Examinations for Registered Nursing (NCLEX-RN) for licensure. The ADN Program currently selects one class beginning in the Fall Semester each year. The Associate Degree Nursing Program at ANC is approved by the Arkansas State Board of Nursing.

The Associate Degree nursing program at Arkansas Northeastern College located in Blytheville, Arkansas is accredited by the:

Accreditation Commission for Education in Nursing (ACEN)  
3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326  
(404) 975-5000

The most recent accreditation decision made by the ACEN Board of Commissioners for the Associate Degree nursing program is Initial Accreditation.

View the public information disclosed by the ACEN regarding this program at <http://www.acenursing.us/accreditedprograms/programSearch.htm>

**College Admission:**

If no classes have ever been taken at ANC, complete the following and have submitted to the Registrar's Office at 2501 South Division P.O. Box 1109 Blytheville, AR 72316-1109 by April 15:

- College admission application.
- Official High School Transcript or GED with Scores.
- **Official transcripts** from any college(s) previously attended.
- Immunization record documenting proof of two MMRs.

NOTE: Admission to the College does not guarantee admission into the Associate Degree Nursing Program.

**Associate Degree Nursing Program Admission Criteria:**

Admission to the Arkansas Northeastern College ADN program is a selective process. In order to be considered for admission, students must meet the following minimum criteria:

- Meet with the Nursing and Allied Health Advising Specialist to ensure any required College Admission Placement Tests (ACT, ACCUPLACER) meet the minimum skill level.
- Attend all scheduled Advising sessions and complete required Advising Check List with the Nursing & Allied Health Advising Specialist.
- Complete and submit the Associate Degree Nursing (ADN) Program Application for Admission to the Nursing Office on the Main Campus (2501 South Division P.O. Box 1109 Blytheville, AR 72316-1109) by **April 15**.

- Successfully complete prerequisite courses as outlined in the Curriculum Plan. **Science classes must be completed within 5 years of admission to the ADN Program.**
- Submit official transcripts from any college(s) previously attended to the Registrar's Office and unofficial copies to the Nursing Office on the Main campus by **April 15.**
  - Transcripts must include the prerequisite courses.
  - Updated transcripts must be submitted at the end of the spring semester with any required prerequisite courses.
- Submit official High School Transcripts or GED with scores to the Registrar's Office.
- Have a cumulative 2.0 minimum grade point average for all college course work attempted including transfer work and excluding developmental education courses.
  - Must have an ANC GPA of 2.0 or greater to graduate from ANC.
- Preadmission Exam: **Test of Essential Academic Skills (TEAS) Exam- minimal composite score of 58.7%**
  - See preadmission testing information below regarding TEAS exam for more information
- **Read the following, sign, and submit to the Nursing Office with the ADN Admission Application:**
  - Nursing Department Statement of Responsibility.
  - Understanding of Functional Abilities Form.
  - Criminal Background Check Verification and Arkansas State Board of Nursing –Nurse Practice Act- Subchapter 3- Licensing- Criminal Background Checks.
- Students applying to the ADN program that have previously been enrolled in another Nursing or Allied Health program at ANC or course must have a written letter of recommendation from the previous Program Director validating the student's professional good standing.
- A student requesting transfer from another college into ANC's Nursing or Allied Health Programs/Courses is required to meet the ANC Transfer Policies as outlined in the ANC Catalog and ADN Information Guidelines.

It is the student's responsibility to provide accurate contact information at the time of application and to notify the Nursing Office regarding any changes. Admission criteria must be met and student files updated with all required information for inclusion in the admission/selection process.

**Selection Process:** The ADN program may have more applicants that meet the minimum requirements for admission than positions available. **Admission is competitive;** therefore applicants that meet minimum admission criteria (Refer to current ADN Information Guidelines pages 1-2) are ranked according to points awarded in the following areas:

- **TEAS Entrance Exam Score (75% of total points possible).**
  - See Preadmission Testing Score requirements listed below.
- GPA on completed general education courses identified as either a pre-requisite and/or co-requisite course within the Associate Degree Nursing curriculum plan (25% of total points possible).
- Bonus Points awarded for:
  - Number of completed general education courses identified as a co-requisite course within the Associate Degree Nursing curriculum plan. The four prerequisite courses are part of the minimal requirements for admission and bonus points are only awarded after the 4 prerequisite courses have been successfully completed. One bonus point is awarded per additional course completed on the curriculum (1 – 5 points).
  - **Applicants providing a current credential as a Certified Nursing Assistant in the State of AR will be awarded 1 bonus point.** A copy of the current AR CNA certification must be attached to the ADN Application or submitted to the Nursing Office on or prior to the April 15<sup>th</sup> application deadline to receive bonus points. This is optional and not a requirement for application in the ADN Program.
- Selection for the Fall class is completed in June of each year. All applicants are notified if they have been selected, if they are alternates for the program, or if they have not been accepted. Applicants that are selected are invited to attend a mandatory orientation.

**Preadmission Testing: TEAS EXAM-** The Test of Academic Essential Skills (TEAS) Exam is required for applicants to the Associate Degree or Practical Nursing Program. The TEAS exam is a multiple-choice assessment of basic academic knowledge in reading, mathematics, science, and English and language usage.

- Applicants must score a proficient (minimum of 58.7%) to be eligible for consideration into the program.
- Applicants **may** take the TEAS exam twice per application period. It is recommended applicants test once in the Fall and once in the Spring prior to the April 15<sup>th</sup> application deadline. If students choose to test twice in the same semester, they must wait a minimal of four weeks after the first exam before taking the second exam.
  - The higher of the two scores will be used in the selection process.
  - TEAS scores are valid for two (2) years following the date of examination in an application period for admission into the next 2 Fall Classes. Example: Tested January 2023. Scores valid for application in Fall 2023 and Fall 2024 classes.
- The ANC Nursing and Practical Nursing Departments require applicants take the ANC **On-site** (in person) TEAS Testing or test from another approved **On-site** (in person) TEAS testing center with official scores submitted from the ATI TEAS directly to the ANC Department of Nursing at: [ancnursing@smail.anc.edu](mailto:ancnursing@smail.anc.edu)

*ANC On-site Testing.* Dates for TEAS **On-site** (in person) testing will be posted on the ANC website as noted below.

- If questions, please contact the ANC Testing Center at 870-762-1020 ext. 1161 or access online at: <http://www.anc.edu/testingcenter/index.htm>
- The cost of the exam is approximately \$65.00 but may be subject to change.
- For more information regarding the TEAS exam or to purchase a study guide go to: <https://www.atitesting.com/>

**Conviction of a Crime:** Any student who has been convicted of a crime prior to entering the Nursing Program and/or during the program **must report** this conviction to the Program Director immediately. **Failure to report the crime may result in immediate suspension and/or dismissal from the nursing program.** Students convicted of a crime will be responsible for submitting copies of all court documents related to the conviction(s) to the Arkansas State Board of Nursing who will determine their eligibility to take the NCLEX-RN exam.

*Refer to Arkansas State Board of Nursing – Nurse Practice Act - SUBCHAPTER 3 – LICENSING §17-87-312 Criminal Background Checks on the following pages.*

### **BACKGROUND VERIFICATION POLICY (Annually in the ADN Program)**

**Policy Statement:** Arkansas Northeastern College Associate Degree Nursing Program require students selected for admission into the Associate Degree Nursing Program to complete a criminal background investigation by a third party vendor prior to beginning of clinicals each year in the Fall semester.

All background verification information and results will be treated confidentially but will be accessible to the Associate Degree Nursing Director, the Dean for Nursing & Allied Health, and clinical agencies as warranted. All adverse or negative outcomes on the background verification checks will require permission from the clinical affiliate before a student is scheduled at that agency for a clinical rotation. This requires each clinical affiliate to independently determine if an adverse or negative outcome on the criminal background verification check will prohibit a student nurse from being assigned in their facility.

Students will be responsible for all fees associated with any components of the background verification process. Students must authorize the background check verification by completing the background authorization form provided by the vendor.

Students found to be ineligible to complete clinical rotations due to an adverse or a negative outcome from the criminal background check will not be able to meet clinical and program objectives and therefore dismissal from the program will be necessary.

The background investigation completed through a third party vendor will include the following components:

- Arkansas Statewide Criminal
- 7 Year U.S. County Criminal Records (Outside of Arkansas)
- Residency History
- Social Security Alert
- National Record Indicator with Sex Offender Registry
- Nationwide Healthcare Fraud & Abuse Scan
- Arkansas Child Abuse Clearance
- Missouri Family Care & Safety Registry
- Maiden Names & Aliases

### **CRIMINAL BACKGROUND CHECKS (Arkansas State Board of Nursing)**

Students accepted into the Associate Nursing Program must complete a state and federal background check in the early Spring Semester prior to graduation. Associated costs will be the responsibility of the student. Background checks must be cleared by appropriate agencies prior to graduates being provided a test date for the NCLEX-RN. Fingerprints and criminal background application to the Arkansas State Police is required.

*Please be informed that persons convicted of certain crimes may not be eligible to take the NCLEX – RN at the completion of the program. Refer to the Arkansas State Board of Nursing – Nurse Practice Act - SUBCHAPTER 3 – LICENSING §17-87-312 Criminal Background Checks outlined below.*

*If students have questions or concerns they should contact the Director of Associate Degree Nursing or ADN Coordinators or ADN faculty advisor/instructor. Students may contact the Arkansas State Board of Nursing in Little Rock, Arkansas at [www.arsbn.org](http://www.arsbn.org)*

### **Arkansas State Board of Nursing- Nurse Practice Act SUBCHAPTER 3 LICENSING**

#### **§ 17-87-312. Criminal Background Checks.**

- (a) (1) Each first-time applicant for a license issued by the Arkansas State Board of Nursing shall apply to the Identification Bureau of the Division of Arkansas State Police for a state and national criminal background check, to be conducted by the Federal Bureau of Investigation.
- (2) At the time a person applies to an Arkansas nursing educational program, the program shall notify the applicant in writing of the provisions and requirements of this section.
- (b) The check shall conform to the applicable federal standards and shall include the taking of fingerprints.
- (c) The applicant shall sign a release of information to the board and shall be responsible to the Division of Arkansas State Police for the payment of any fee associated with the criminal background check.
- (d) Upon completion of the criminal background check, the Identification Bureau of the Division of Arkansas State Police shall forward to the board all releasable information obtained concerning the applicant.
- (e) For purposes of this section, the board shall follow the licensing restrictions based on criminal records under § 17-3-102.
- (f)
- (1) The board may issue a nonrenewable temporary permit for licensure to a first-time applicant pending the results of the criminal background check.
- (2) The permit shall be valid for no more than six (6) months.
- (g)

(1) Any information received by the board from the Identification Bureau of the Division of Arkansas State Police under this section shall not be available for examination except by:

- (A) The affected applicant for licensure or his or her authorized representative; or
- (B) The person whose license is subject to revocation or his or her authorized representative.

(2) No record, file, or document shall be removed from the custody of the Division of Arkansas State Police.

(h) Any information made available to the affected applicant for licensure or the person whose license is subject to revocation shall be information pertaining to that person only.

(i) Rights of privilege and confidentiality established in this section shall not extend to any document created for purposes other than this background check.

(j) The board shall adopt the necessary rules to fully implement the provisions of this section.

(k)

(1) The board may participate at the state and federal level in programs that provide notification of an arrest subsequent to an initial background check that is conducted through available governmental systems.

(2) The board may submit an applicant's fingerprints to the federal Next Generation Identification system.

(3) The fingerprints may be searched by future submissions to the Next Generation Identification system, including latent fingerprint searches.

(4) An applicant enrolled in the Next Generation Identification system is not required to re-fingerprint when a subsequent request for a state or federal criminal history background check is required if:

(A) A legible set of the applicant's fingerprints is obtained when the applicant enrolls in the Next Generation Identification system; and

(B) The applicant is subject to the Rap Back service of the Next Generation Identification system.

(l) The Identification Bureau of the Division of Arkansas State Police and the Federal Bureau of Investigation may maintain fingerprints in the Integrated Automated Fingerprint Identification System.

  - (36) All other crimes referenced in this title.
- (b)
- (1) If an individual has been convicted of a crime listed in subsection (a) of this section, a licensing entity may waive disqualification or revocation of a license based on the conviction if a request for a waiver is made by:
    - (A) An affected applicant for a license; or
    - (B) The individual holding a license subject to revocation.
  - (2) A basis upon which a waiver may be granted includes without limitation:
    - (A) The age at which the offense was committed;
    - (B) The circumstances surrounding the offense;
    - (C) The length of time since the offense was committed;
    - (D) Subsequent work history since the offense was committed;
    - (E) Employment references since the offense was committed;
    - (F) Character references since the offense was committed;
    - (G) Relevance of the offense to the occupational license; and
    - (H) Other evidence demonstrating that licensure of the applicant does not pose a threat to the health or safety of the public.
  - (c) If an individual has a valid criminal conviction for an offense that could disqualify the individual from receiving a license, the disqualification shall not be considered for more than five (5) years from the date of conviction or incarceration or on which probation ends, whichever date is the latest, if the individual:
    - (A) Was not convicted for committing a violent or sexual offense; and
    - (B) Has not been convicted of any other offense during the five-year disqualification period.
  - (d) A licensing entity shall not, as a basis upon which a license may be granted or denied:
    - (1) Use vague or generic terms, including without limitation the phrase "moral turpitude" and "good character";
    - or
    - (2) Consider arrests without a subsequent conviction.

- (e) Due to the serious nature of the offenses, the following shall result in permanent disqualification for licensure:
- (1) Capital murder as prohibited in § 5-10-101;
  - (2) Murder in the first degree as prohibited in § 5-10-102 and murder in the second degree as prohibited in § 5-10-103;
  - (3) Kidnapping as prohibited in § 5-11-102;
  - (4) Aggravated assault upon a law enforcement officer or an employee of a correctional facility as prohibited in § 5-13-211, if a Class Y felony;
  - (5) Rape as prohibited in § 5-14-103;
  - (6) Sexual extortion as prohibited in § 5-14-113;

  - (9) Endangering the welfare of an incompetent person in the first degree as prohibited in § 5-27-201;
  - (10) Endangering the welfare of a minor in the first degree as prohibited in § 5-27-205;
  - (11) Adult abuse that constitutes a felony as prohibited in § 5-28-103; and
  - (12) Arson as prohibited in § 5-38-301.
- (f) This chapter does not preclude a licensing entity from taking emergency action against a licensee as authorized under § 25-15-211 for the sake of public health, safety, or welfare.
- (g) The permanent disqualification for an offense listed in subsection (e) of this section does not apply to an individual who holds a valid license on the effective date of this chapter.

*NOTE: A copy of this subchapter 3 related to Criminal Background Checks will be signed at a scheduled orientation and placed in the student's file.*

### **FUNCTIONAL ABILITIES**

Nursing is a practice discipline, with cognitive, sensory, affective and psychomotor performance requirements. The knowledge and skills and abilities to safely and effectively practice nursing are varied and complex. The National Council of State Boards of Nursing has defined functional abilities that a nurse must possess to practice safely and effectively.

The functional abilities are the non-academic requirements of the program, and they comprise physical, emotional and professional demands of a nurse. Take into consideration whether you can perform the following functions, with or without accommodations. If you determine that you are unable to do any of the skills listed and have a documented disability, you will need to determine if a reasonable accommodation can be provided. To request an accommodation, you will need to contact Arkansas Northeastern College's Student Services office and present documentation of your disability.

*Students are required to read and sign understanding of the established Functional Abilities.*

### **Functional Ability Categories, Descriptions and Representative Activities and Attributes**

**Gross Motor Skills** sufficient to provide the full range of safe and effective nursing care activities.

- Move within confined spaces
- Sit and maintain balance
- Stand and maintain balance
- Reach above shoulders (e.g. IV poles)
- Reach below waist (e.g. plug electrical appliances into wall outlets)

**Fine Motor Skills** sufficient to perform manual psychomotor skills integral to patient care.

- Pick up objects with hands
- Grasp small objects with hands (e.g. IV tubing, pencil)
- Write with a pen or pencil

- Key /type (e.g. use a computer)
- Pinch/pickup or otherwise work with fingers (e.g. manipulate a syringe; withdraw medications from ampules, vials, etc.)
- Twist (e.g. turn objects/knobs using hands)
- Squeeze with fingers (e.g. eye dropper)

**Physical Endurance and Stamina** sufficient to perform client care activities for entire length of work role.

- Stand (e.g. at client side during surgical or therapeutic procedure)
- Sustain repetitive movements (e.g. cardiopulmonary resuscitation (CPR))
- Lift 25 pounds (e.g. pick up a child or transfer a patient)
- Move light objects weighing up to 10 pounds (e.g. IV poles)
- Move heavy objects weighing from 11 to 50 pounds
- Defend self against combative client
- Carry equipment and/or supplies
- Use upper body movements (e.g. CPR, physically restrain a client)
- Squeeze with hands (e.g. operate a fire extinguisher)

**Mobility** including physical abilities sufficient to move from place to place and maneuver to perform nursing activities.

- Twist
- Bend
- Stoop/Squat
- Move quickly (e.g. respond to an emergency)
- Climb (e.g. ladders/stools/stairs)
- Walk

**Hearing/Auditory** ability sufficient for physical monitoring and assessment of client health care needs.

- Hear normal speaking level sounds (e.g. person-to-person report)
- Hear faint voices
- Hear faint body sounds (e.g. blood pressure sounds, assess placement of tubes)
- Hear in situations when not able to see lips (e.g. when masks are worn)
- Hear auditory alarms (e.g. monitors, fire alarms, call bells)

**Visual** ability sufficient for accurate observation and performance of nursing care.

- See objects up to 2 inches away (e.g. information on a computer screen, skin conditions)
- See objects up to 20 feet away (e.g. patient room)
- See objects more than 20 feet away (e.g. patient at the end of the hall)
- Use peripheral vision
- Distinguish color (e.g. color codes on supplies, charts, bed)
- Distinguish color intensity (e.g. flushed skin, skin paleness)

**Tactile** ability sufficient for physical monitoring and assessment of health care needs.

- Feel vibrations (e.g. palpate pulses)
- Detect temperature (e.g. skin, solutions)
- Feel differences in surface characteristics (e.g. skin turgor, rashes)
- Detect environmental temperature (e.g. check for drafts)

**Smell/Olfactory** ability sufficient to detect environmental and client odors.

- Detect odors from client (e.g. foul smelling discharge, alcohol breath, etc.)
- Detect smoke
- Detect gases or noxious smells

**Reading** ability sufficient to comprehend the written word at the minimum of a tenth grade level.

- Read and understand English written documents (policies, protocols)

**Arithmetic** ability sufficient to do computations at a minimum of eighth grade level. *Counting*: the act of enumerating or determining the number of items in a group. *Measuring*: the act or process of ascertaining the extent, dimensions or quantity of something. *Computing*: the act or process of performing mathematical calculations such as addition, subtraction, multiplication and division.

- Read and understand columns of writing (e.g. flow sheets, charts)
- Read digital displays
- Read graphic printouts (e.g. EKG)

- Calibrate equipment
- Convert numbers to and/or from the Metric System
- Read graphs (e.g. vital sign sheets)
- Tell time
- Measure time (e.g. count duration of contractions, etc.)
- Count rate (e.g. drops/minute, pulse)
- Use measuring tools (e.g. thermometer)
- Read measurement marks (e.g. measurement tapes, scales, etc.)
- Add, subtract, multiply and/or divide whole numbers
- Compute fractions (e.g. medication dosages)
- Use a calculator
- Write numbers in records

**Emotional Stability** sufficient to assume responsibility and accountability for actions.

- Establish therapeutic boundaries/relationships and communicate in a supportive, constructive manner
- Provide a client with emotional support
- Adapt to changing environment/stress
- Deal with the unexpected (e.g. patient doing bad, crisis)
- Focus attention on task
- Monitor own emotions and be able to keep emotional control
- Perform multiple responsibilities concurrently
- Handle strong emotions (e.g. grief)

**Analytical and Reasoning Skills** sufficient to perform deductive/inductive reasoning for nursing decisions.

- Transfer knowledge from one situation to another
- Process information
- Evaluate outcome
- Problem solve
- Prioritize tasks
- Use long-term memory
- Use short-term memory

**Critical Thinking** ability sufficient to exercise sound nursing judgment.

- Identify cause-effect relationships
- Plan/control activities for others
- Synthesize knowledge and skills
- Sequence information

**Interpersonal Skills** sufficient to interact with individuals, families and groups respecting social, cultural and spiritual diversity.

- Negotiate interpersonal conflict
- Respect difference in patients
- Establish positive rapport with patients
- Establish positive rapport with co-workers/peers
- Interact with other effectively

**Communication Skills** sufficient to speak, comprehend and write in English at a level that meets the need for accurate, clear and effective communication.

- Teach (e.g. patient/family about health care)
- Explain procedures
- Give clear oral reports (e.g. report on patient's condition to others)
- Interact with others (e.g. health care workers)
- Speak effectively on the telephone
- Influence people and their actions
- Direct activities of others by providing clear written and oral instructions to others
- Convey information through writing (e.g. progress notes)

If the applicant's native language is other than English, an official transcript of the score for the Test of English Language (TOEFL) must be submitted from Educational Testing Service, Princeton, New Jersey 08540, to the Registrar's Office at Arkansas Northeastern College. This test may be taken at various test centers throughout the world, but it is the applicant's responsibility to obtain the necessary information and application forms, and to arrange to take the test by a date which will assure the results are reported to ANC by the required deadlines. ANC ADN Department requires the overall cut scores as recommended by the National Council of State Board of Nursing on all English Proficiency Exams.

### **DRUG SCREENING POLICY**

**Policy Statement:** Arkansas Northeastern College Associate Degree Nursing Program (ADNP) requires students to complete Drug Screening conducted by a third party vendor at designated drug testing facilities. Students are responsible for fees associated with the drug screening and failure to meet the deadline for drug screening may result in failure to continue in the nursing program.

Use of alcohol or illegal drugs, or misuse of prescription drugs is strictly prohibited in the classroom, clinical or laboratory setting. References to the College's Alcohol and Drug Policy along with the policies on Student Conduct and Disciplinary Sanctions and Student's Rights and Responsibilities are found in the link to the ANC Student Handbook at: [http://www.anc.edu/docs/anc\\_handbook.pdf](http://www.anc.edu/docs/anc_handbook.pdf)

Drug testing will be completed for selected First Level students upon enrollment into the ADNP. Second Level students must complete the drug screening prior to the beginning of clinical rotations during the third semester of the program OR if a returning student, at the time of readmission into the program.

Students with a positive drug screen may be denied the opportunity to participate in the clinical component of the nursing course. Students ineligible to complete clinical rotations due to a positive drug screen will not meet clinical and program objectives and therefore will be withdrawn from all Nursing courses by the Director of Associate Degree Nursing.

### **CLINICAL REQUIREMENTS**

**Health Statement:** Students are required to complete all Health Statement documents provided during orientation and submit by the first day of Class. The requested health data and history information is kept confidential and will be used only as an aid in providing necessary health care if an emergency were to arise or to determine if medical clearance is necessary prior to entering the program. Students who are pregnant or who have an altered health status must update their health data and have written approval from their physician to enter or continue in clinical rotations. Students must meet all stated clinical outcomes and objectives along with meeting all attendance requirements.

**Health Insurance:** Arkansas Northeastern College does not provide medical related services, nor does the College assume responsibility for injuries incurred by students during any College activity. Medical services may be obtained from local doctors, clinics or hospitals at the student's expense. All students are encouraged to carry their own health and accident insurance throughout the program.

#### **Immunization Requirements for all Enrollees at Arkansas Colleges and Universities:**

Arkansas State Law, Act 141 of 1987, requires college students born after 1/1/57 to provide proof of immunity against measles, mumps, and rubella within 30 calendar days of enrollment. Two MMR immunizations are required. Exemptions shall be granted only by the Department of Health and must be applied for each academic year. Forms can be obtained by e-mail only at [www.immunization.section@arkansas.gov](mailto:www.immunization.section@arkansas.gov) after July 1, each year.

**Nursing and Allied Health MMR Immunization Policy:** Arkansas law requires all full-time students born on or after January 1, 1957 to provide proof of immunization against measles, mumps, and rubella (MMR) or immunity, or medical or non-medical exemption, or birth before 1957.

- **Proof of Immunization:** The immunization must be given in two doses. The first dose of the MMR must be given before the first birthday and after 1/1/1968. The second dose must be given at least 28 days after the first. Refer to Table III of the Arkansas State Board of Health, Rules and Regulations Pertaining to Immunization Requirements, page 16. Accepted proof of immunizations shall be those on an immunization record provided by a licensed physician, health department, military service or an official record from another educational institution in Arkansas. All accepted immunization records shall state the vaccine type and dates of vaccine administration.
- **Proof of Immunity:** In lieu of receiving vaccine students may provide proof of immunity. Students must submit serological test results (titers) appropriate for all three diseases (measles, mumps, and rubella) to the Arkansas Department of Health (ADH) along with a letter requesting approval of immunity. Please send letter and test results to:

*Arkansas Department of Health  
ATTENTION: Immunization Section  
4815 West Markham Street  
Little Rock, AR 72205*

After the Medical Director of the Immunization Section of the ADH has reviewed the letter and results, the student will receive either an approval or denial letter. If approved, it is the student's responsibility to provide ANC Registrar a copy of the letter for placement in the student's permanent file. Thereafter, annual approval is not required. If denied, the student must receive the required immunization or request an exemption (see below) through the Arkansas Department of Health.

- **Medical or Non-medical Exemption:** Students may apply for an authorized exemption (medical, religious, or philosophical) from the Arkansas Department of Health. Exemptions must be applied for each academic year. Forms can be obtained after July 1, each year by e-mail only at: <http://www.healthy.arkansas.gov/programsServices/infectiousDisease/Immunizations/Documents/2017-2018%20College%20Immunization%20Exemption%20Application%20Packet.pdf>

### **Required Immunizations for the ADN**

As a condition of admission and continued enrollment in the ADN program, all students are **required** to submit proof of the following and update any immunizations as needed on their individual medical document manager (Castlebranch).

- **MMR (2 doses required;** refer to detailed MMR immunization policy above for more information).
- **Tetanus or Tdap.** Tetanus or Tdap must be received in the past 10 years to be current, or a tetanus booster is required.
- **TB Screening:** At the beginning of each academic year, students must submit proof of **ONE** of the following:
  - documentation of a negative tuberculin (TB) skin test
  - negative result of interferon-gamma release assays (IGRAs) blood tests (T-SPOT or QuantiFERON).
  - negative chest x-ray within the past three years; and provide evidence of no TB disease per health screening.
- **Hepatitis B (series of 3 injections) or waiver:** students entering the ADN Program must realize the potential for exposure to the Hepatitis B virus. Faculty recommends appropriate documentation of a completed series of Hepatitis B immunizations or consent to and be in the process of receiving the series of the 3 injections prior to any contact with patients. If a student refuses or has reason to believe that the vaccine is contraindicated for him/her, the student must sign a declination form acknowledging the risk of

Hepatitis B infection in a healthcare setting.

- **Influenza/flu vaccine annually (due each year by 10/31)**
- **Varicella (2 doses); Proof of varicella may be provided by ONE of the following:**
  - Documentation of 2 doses of the varicella vaccine
  - Laboratory evidence of immunity (titer)
  - Verification of history of varicella or herpes zoster by a healthcare provider

### **COVID-19 Vaccinations**

In compliance with AR ACT 1030, The Division of Allied Health at Arkansas Northeastern College does not mandate COVID-19 vaccination as a requirement for enrollment in any of their courses or programs. However, clinical affiliates may require proof of the vaccine for both faculty and students attending their facilities for clinical experiences. The Associate Degree Program Director will accept student's proof of COVID Vaccination for submission to these facilities upon their request and prior to attending clinical. Students may upload proof of COVID vaccination to their Castlebranch profile as with all other clinical documentation.

In order to ensure all students are provided an equitable clinical educational experience necessary to meet required course and program objectives, students must be eligible for placement in any approved clinical site. Students ineligible to meet their clinical assignments will not be successful in meeting their course objectives.

### **ACADEMIC PROGRESSION**

The ADN Program is competency based in skills and theory. In order to continue in any nursing course, a student must have satisfactory clinical performance and achieve an overall average of 80% on the unit tests and final exam. Any student not maintaining a "C" or better in Nursing and support courses will not be allowed to progress to the next semester of Nursing. Probation and suspension will occur based on College policies.

Students will be required to complete standardized test throughout the nursing curriculum. Acceptable scores on such tests are required to progress through the nursing curriculum. In the last semester of nursing curriculum, students will be required to make an acceptable score on a comprehensive exam in order to graduate and apply for the National Council Licensure Exam (NCLEX).

Because the Nursing courses utilize the content of the physical and behavioral sciences, the course of study for Nursing will be according to prescribed sequence. The student may take the supporting courses before applying to the Nursing Program. Completion of support courses does not guarantee admission to the Nursing Program.

Many courses have prerequisites or co-requisites that call for a prescribed sequence. A grade of "C" or better is required in each support course and for each of the Nursing Courses. It is required for the Anatomy & Physiology lecture component and the lab component be completed at the same college/university. All science courses (Anatomy & Physiology I/Lab, Anatomy & Physiology II/Lab, Microbiology/Lab) must be completed within five years from the time of acceptance into the Nursing Program or be repeated unless otherwise approved by the Director of Associate Degree Nursing.

### **Academic Standards:**

**Curriculum Plan:** The curriculum plan for the Associate in Applied Science Degree in Nursing is comprised of both nursing and general education. The general education courses further compliment and support the study of Nursing. The Nursing Curriculum plan or course of study is approved by the Arkansas State of Nursing and the Accreditation Commission for Education in Nursing and must be taken in the order as outlined in the plan (*Refer to page 13.*)

**Support Courses:** The nursing courses utilize the content of the physical and behavioral sciences. The student may complete supporting general course work before applying to the nursing program. Completion of support courses does not guarantee admission to the nursing program. Many courses have prerequisites or co-requisites that call for a prescribed sequence. (Refer to ANC catalog for course descriptions). A grade of “C” or better is required in each support course and for each of the nursing courses.

**Nursing Courses:** The order for completing Nursing courses will be according to prescribed sequence in the ADN Curriculum Plan (refer to page 13). Each student must receive a performance rating of satisfactory in the nursing clinical laboratory experience and a grade of “C” or better in the theory area of each nursing course. If the student receives an A, B, or C grade in theory portion of the course and an unsatisfactory grade in the clinical portion of the course, the course will result in a non-passing grade.

If the student receives less than a “C” grade in the theory portion of the course, the course will result in a non-passing grade. An overall minimum grade point average (GPA) of 2.0 (on a 4.0 scale) is required for college graduation (excluding developmental course work).

**Associate Degree Nursing Transfer Policy:** Students requesting transfer to the ANC Nursing program must meet ANC Transfer Policies and Nursing Departmental Guidelines for Admission. Transfer students must be in good academic standing at the last institution attended and if unsuccessful in a prior nursing program, students must demonstrate proof of eligibility for re-admission. Admission is limited to those who can be properly accommodated by the Nursing faculty and clinical facilities. Credit for transfer must have been earned at an accredited college or university with a grade of “C” or better for which ANC offers equivalent courses. Transfer students may be required to repeat or enroll in courses to meet the ANC Associate Degree Nursing Curriculum Plan.

Grades earned in transfer courses are not considered in calculating students’ grade point averages. The cumulative grade point average at ANC is computed only on ANC courses completed. ANC Nursing Department may require nursing courses accepted for transfer, be validated by completion of standardized competency exams. Nursing courses will not be considered for transfer if they have not been completed within two years of transfer to ANC. Two consecutive semesters must be successfully completed at ANC to meet eligibility for graduation and application requirements for the NCLEX-RN.

**Letter of Good Standing Policy:** The ADN program requires a letter of good standing from the transfer program. Applicants seeking transfer into one of ANC’s Nursing or Allied Health Programs/Courses from another college must request a letter of good standing from the dean/director of that program. To be considered in good standing, the applicant must be eligible for re-entry into the previous college’s Nursing or Allied Health program. The letter of good standing must be mailed directly from the Dean/Director of the previous program attended to the ANC Director of Nursing or Allied Health Program in which the applicant is applying. If the letter of good standing is not received, then the applicant may not be considered for admission.

**Statement of Responsibility:**

The following statements of responsibility indicate your understanding of the requirements necessary for evaluation of your file for possible admission into the ANC Associate Degree Nursing Program (ADNP). Please sign and return to the Nursing Secretary.

- I have received and read the Information Guidelines for the Traditional Option of the Associate Degree Nursing Program from Arkansas Northeastern College regarding admission policies and requirements.
- I understand that it is my responsibility to validate that all copies of my transcripts and test scores are received by the Nursing Secretary (including those on file in other ANC offices). I will inform the Nursing Secretary of courses in which I am currently enrolled. I also accept the responsibility to have all transcripts from other colleges submitted and evaluated by the ANC Registrar.
- I have received the Arkansas State Board of Nursing – Nurse Practice Act - SUBCHAPTER 3 – LICENSING §17-87-312 Criminal Background Checks information. I understand that enrolling and completion of the ADNP does not guarantee me the ability to challenge the NCLEX-RN exam.
- I have read the Background Verification Policy and understand that, if selected for the ADNP, that I will be required to submit to a Criminal Background Check (CBC) by a third-party vendor. If found to be ineligible to complete clinical rotations due to an adverse or negative outcome from the CBC, I understand that I will not be able to meet clinical and program objectives and therefore dismissal from the program will be necessary.
- I have read and understand the Functional Ability Categories, Descriptions, and Representative Activities and Attributes Statement.
- I understand that nursing is a discipline with cognitive, sensory, affective, and psychomotor performance requirements. I understand that, if necessary and if I meet certain documentation requirements of a disability, I must contact ANC Student Services at (870) 762-3180 to request accommodations.

I understand that my Application for Admission in the Associate Degree Nursing Program will not be filed or considered unless my signature is on this form.
