Association of College & University Educators

The Association of College and University Educators (ACUE) believes that all college students deserve a superior education and that faculty members play a critical role in their success. By partnering with institutions of higher education nationwide, ACUE supports and credentials faculty members in the use of evidence-based teaching practices that drive student engagement, retention, and learning. Emily Thomasson, Assistant Professor of Mathematics, demonstrated the comprehensive knowledge and skills that constitute ACUE's Effective Practice Framework. Mrs. Thomasson was formally recognized by the ACUE with a pin and an "Effective College Instruction" certificate.

30 for 30 Shadow a CEO

ANC employees from the Community Relations department recently attended the “30 for 30 Shadow a CEO” event hosted by Moncrief Game Changers, Inc., a nonprofit organization led by former Razorback and NBA all-star Sidney Moncrief. The event brought together 60 college students and 30 CEOs for a day of entrepreneurship-focused activities and on-site job shadowing. The goal of this CEO Shadowing experience is to increase the exposure to different career opportunities for the students. The students also had a chance for face-to-face engagement with these successful CEOs.

The day’s activities included:

A brief presentation by Sidney Moncrief and guest CEOs, engagement activities with the CEOs, including a rotation where students visited with the CEOs and learned about their backgrounds, and students were assigned to a CEO and traveled to their workplace for a job shadow opportunity.

President's Council Meets

The President's Council on Underserved Communities recently met to discuss launching a youth engagement initiative to engage children in order to combat crime and generational poverty.

Wellness Benefits:

Have you scheduled your yearly wellness exam for 2022?

Wellness visits basically provide your doctor with a status update on your overall health. They can help guide you to make choices that promote better health, and they can catch health problems early. Examples of a wellness visit include mammogram, colonoscopy, vision exam, dental cleaning, and/or yearly wellness physical. If you have had your wellness exam and have one of the following - Accident Insurance, Cancer Insurance, Critical Illness, and/or Hospital Confinement, make sure to file your wellness claim for your annual reimbursement for 2022. Each one of these plans have a wellness reimbursement each calendar year, with just one wellness exam visit. See below for reimbursement benefits. If you are unsure if you have one of these benefits and/or need assistance filing a claim, contact Tabatha Hampton at ext. 1136.

Accident Insurance - \$75.00 low plan / \$105.00 high plan
Cancer Insurance - \$100.00
Critical Illness - \$75.00

Life Insurance and Retirement Beneficiaries

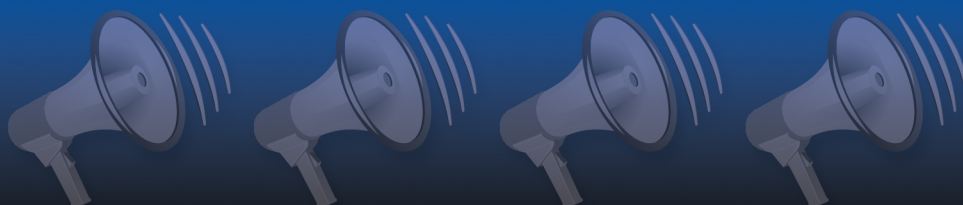

One of the great fringe benefits of working full-time for Arkansas Northeastern College is the life insurance. The college pays four-times your salary for term life insurance. Have you checked your life insurance and retirement beneficiary information lately? Reviewing your beneficiary designations on a regular basis is imperative to ensure that they accurately reflect your wishes and support your estate planning goals. It eliminates confusion and saves time to ensure that your chosen beneficiary will inherit your life insurance and retirement benefit.

Contact Tabatha Hampton at ext. 1136 with questions about beneficiaries.

Employee Acknowledgement Fund

Did you know the college has an employee acknowledgement fund? For several years, your Employee Acknowledgment Fund of the ANC Foundation has allowed us to utilize employee donations to acknowledge hospitalizations of employees, deaths of employees or immediate family members, and births of children. This eliminates “passing the hat” in your work area every time one of the described events occurs. If you have participated in this effort in the past or currently participating, it is greatly appreciated. If you are interested in participating, please email thampton@smail.anc.edu for the participation form. A minimum semimonthly contribution of 50¢ may be made by payroll deduction; however, contributions of any size or a one-time donation is always greatly appreciated.
