Allied Tech Career Exploration Camp

Arkansas Northeastern College recently hosted the Allied Tech Career Exploration Camp, offering students from Armorer, Blytheville, Gosnell, Rivercrest, and Osceola a unique opportunity to immerse themselves in various career paths. This hands-on experience was made possible through presentations from industry experts such as D&L

Incorporated and Tenaris. ANC takes great pride in our ability to provide students with valuable opportunities such as these. Our team is thrilled to have organized such a remarkable event, which we believe will positively impact the future careers of all those who attended.

Spark Reception

Arkansas Northeastern College recently hosted a reception for the fourth edition of SPARK, which was jam-packed with inspiring and imaginative works. Dean for Arts & Sciences, Ryan Perkins, and English Instructor, Mallory Burnette, recognized the SPARK Award winners. ANC Webmaster, Danny Graham, presented the awards, with a total of 59 being presented and 146 students' work being represented in the publication.

Walk-A-Mile Event

We just had a blast at our annual Arkansas Northeastern College Walk-A-Mile event on April 14, 2023, with an amazing turnout of 150 people from Mississippi County, the Missouri Bootheel, and beyond! We loved seeing everyone share their experiences and perspectives while taking a stroll in great company. We want to give a huge shoutout to everyone who helped make this event a massive success! Your participation and support added so much value to the event, and we can't wait to do it again next year!

Community Education

The ANC Community Education Department traveled to Chicago: The Musical at the Orpheum in Memphis. Before the show, attendees enjoyed a delicious meal at the Majestic Grille on Main Street, which is known for recreating the era of the silver screen and showing classic films as diners enjoy their meals.
