

Consultant Position

Midwest Region Office
Lincolnshire, IL
(would require relocation to the above location)

The consultant position would specialize in postsecondary services and products.

Knowledge and use of ACT's COMPASS assessment instrument, along with other ACT products is preferred.

We are looking for someone with an assessment and/or undergraduate admission background who enjoys travel, helping clients interpret data and introducing them to ACT resources.

If you are passionate about higher education, customer service and helping clients succeed, please contact us. For additional information, go to <http://www.act.org/humanresources/jobs/0510-843.html>
