

## **The Kirby Company**

**Job Title:** Kirby salesperson

**Location:** Nationwide

**Job Category:** Sales

**Work Schedule:** Full or Part-time

**Hours:** 5-40

**Wage/Salary:**

Commission sales. Earnings are largely based on your work ethic. Typical commission earnings for successful salespeople of \$300-\$800 per week.

**Qualifications:**

No experience needed. No investment required.

**Majors:** All majors

**Job Duration:** Work during school and/or school breaks

**Company Profile:**

Since 1914, the Kirby Company has been a leader in the home care industry. Our direct sales model has helped thousands of entrepreneurs around the world experience personal, professional and financial growth. Through our college program, students can become self-sufficient salespeople earning above-average incomes while learning how to sell.

**Job Description:**

Openings are for entry-level positions as independent contractors. No prior experience necessary. After completing a comprehensive, free training program, you will work with the supervision of experienced managers to conduct product presentations. Opportunity to return to your position during future college breaks along with the ability to advance into management positions as your skills grow. Performance-based regional and national scholarships available from independent Kirby Distributors.

**Additional Information:**

Build your resume with communication, negotiation, sales, time management, and leadership skills.
