MILLION DOLLAR QUARTET is the smash hit Broadway musical, inspired by the true story of the famed recording session that brought together rock'n'roll icons Elvis Presley, Johnny Cash, Jerry Lee Lewis and Carl Perkins for the first and only time. On December 4, 1956, these four musicians were gathered together by Sam Phillips, the "Father of Rock'n'Roll" at Sun Records in Memphis for what would be one of the greatest jam sessions of all time. **MILLION DOLLAR QUARTET** brings that legendary night to life with a tale of broken promises, secrets, betrayal and celebrations featuring timeless hits including "Blue Suede Shoes," "Great Balls of Fire," "I Walk the Line," "hound Dog" and more.

This thrilling musical brings you inside the recording studio with four major talents who came together as a red-hot rock'n'roll band for one unforgettable night. Don't miss your chance to be a fly on the wall of fame --- at **MILLION DOLLAR QUARTET!**

*****Registration information:** Group tickets are on sale now and I have reserved 40 tickets for the Friday evening performance instead of the Saturday matinee because better seats were available. If you would like to make a reservation, mail your check to the address above or call with your credit card number for a **deposit of \$56, by Monday, October 24.**

Thanks,

Sharyn Stevenson, Group Leader
