Arkansas Northeastern College awards Associate Degrees, Technical Certificates, and Certificates of Proficiency.

Commencement is a time of celebration, reflecting honor upon those students who have successfully completed their program of study.

Associate Degree and Technical Certificate Candidates are expected to participate in commencement.

Steps to Graduation

1.	Complete the Graduation Application located under the Admissions link on the ANC home page. Choose the Form tab on the left side of the screen. You must type and use the drop down boxes, print, and then submit the completed application by mail, fax, or email. A handwritten application will delay your Graduation Application process.
2.	An Assessment is required for all graduation candidates with an Associate in Arts, Associate in Science, or Associate in Applied Science degree. Contact your advisor for assessment information.
3.	Measure for your Commencement cap and gown. The time and location will be posted on the ANC website and an email sent to your ANC student email account.
4.	Log into your myANC account: (a) Verify your name is correct by clicking the "Demographic Info" link located under the Campus Connect Tab. This is how your name will appear in the graduation program, on the diploma/certificate, and will be engraved on the graduation wall. If your name is incorrect, you MUST bring your social security card to the Registrar's Office for verification. (b) Review your Degree Audit. Contact your advisor if any coursework is NOT noted as complete OR in progress. (c) Submit a Graduation Petition if you will complete your degree requirements between June 1 and August 1. (no more than 6 credit hours).
5.	Pay the graduation fee (non-refundable). Payment options: Cash, check, mail, or log onto your myANC account and make an electronic payment under the "Account Status" link.
6.	Provide remaining documents indicated at log in on your myANC account. (Example of holds: financial, library, official transcripts, immunization records).

General Information

- Deadline for completing the graduation process: Fall Semester: December 1 and Spring/Summer semesters: February 1.
- Transfer students must earn at least 15 hours at Arkansas Northeastern College.
- Achieve the required minimum cumulative grade point average as indicated on your Degree Audit.
- Earn a grade of "C" or better in English Composition I, English Composition II, and the degree required math course.
- Graduating students earning a 1-year certificate or a 2-year degree and whose cumulative GPA is 3.75-4.00 will graduate with highest honors or GPA of 3.50-3.74 will graduate with honors. All honor students must have earned a minimum of 30 semester hours at Arkansas Northeastern College.
