

**Arkansas Northeastern College
Practical Nursing Clinical Instructor**

Position Announcement

Title: Practical Nursing Clinical Instructor, Part-time

Qualifications: Unencumbered licensed as a Registered Nurse in the State of Arkansas or Compact State

Associate Degree in Nursing required; BSN preferred.
Applicants must be a RN with two years' experience or recent RN with two years current experience as a LPN.

Reports to: Director of Practical Nursing
Dean of Nursing, Allied Health, and HPER

Position Description:

The clinical instructor in the Practical Nursing Program is a part time position contracted each semester as needed. Clinical instructors work in the clinical laboratory or in a health care facility providing clinical instruction, supervision and evaluation of assigned students. Clinical instructors are supervised by the Practical Nursing Program Director.

Job Responsibilities:

Duties of the Practical Nursing Clinical Instructor include but are not limited to:

1. Is guided by the college and nursing department mission statement in striving to implement the Practical Nursing Department's philosophy of nursing education.
2. Follows established academic policies and procedures of the College that facilitate instruction, administration and student well-being.
3. Adheres to assigned clinical agency's policies and procedures.
4. Provides clinical instruction that support the Student Learning Outcomes and/or clinical learning objectives identified for course clinical assignment.
5. Demonstrates appropriate preparation for clinical instruction, supervision and student evaluation.
6. Adheres to the Clinical Faculty Guidelines for assigned course.
7. Develops and maintains an environment conducive to effective learning.
8. Utilizes effective teaching methodologies in clinical setting as appropriate and available to enhance student learning.

9. Facilitates pre and post conference for assigned clinical group as appropriate for clinical course.
10. Communicates needs and problems that arise in the clinical area to the appropriate faculty member or the Practical Nursing Program Director, as applicable.
11. Evaluates student progress in the clinical lab and clinical facilities and provides written evaluations as requested by the supervisor in a timely manner.
12. Demonstrates effective interpersonal relations and communication skills with students, staff, faculty, and all college employees.
13. Attends and participates in reconvening activities, divisional and departmental faculty meetings as requested.
14. Maintains an annual evaluation portfolio of teaching and professional activities that demonstrates professional growth.
15. Cooperates with other members of the nursing faculty and staff in planning clinical instructional opportunities that meet the course goals and objectives.
16. Responsible for maintaining updated, unencumbered license to practice in Arkansas or Compact State of residence.
17. Maintains education and clinical competencies in areas of instructional responsibilities.
