

Spring 2010 News from YOUR ANC University Center!

Graduates

Congratulations to the THIRTY graduates participating in University Center degrees from Arkansas State University, Franklin University and University of Arkansas!

- Arkansas State University
 - Two Business Administration graduates
 - One Criminology graduate
 - Fourteen Bachelor of Science in Early Childhood Education graduates
- Franklin University
 - Five graduates
- University of Arkansas
 - Nine Master of Science with a major in Operations Management graduates

Our graduates come from fourteen different towns in Arkansas and Missouri!

New Degrees

Welcome to University of Arkansas Fort Smith bringing their Bachelor of Applied Science degree! Stacy Hagler, Program Coordinator, Advisor and Instructor will visit the University Center numerous times beginning April 8 and again April 20.

Jim McGinnis, UAFS Program Coordinator and Advisor for the Bachelor of Science in Information Technology, also visits ANC University Center on a regular basis. Contact the University Center at 870-762-3137 for information or access the information at www.anc.edu/universitycenter .

Advisor Visits

It is extremely important for you to schedule an appointment with your advisor if you plan to take summer and/or fall classes!!! If you see your advisor has already been to advise at the University Center, you must call or email them to schedule an appointment.
