

TIG Welder/Fabricator/Customer Service

Progressive and well established hose and rubber distributor is seeking highly motivated TIG Welder/Fabricator/Customer Service professional, with welding experience and/or willingness to learn who is looking for a career, not a job, to become part of our dynamic, team oriented company.

* Welding experience, especially TIG, and/or willingness to learn TIG welding at our expense. Certification in TIG welding is a major plus.

- Mechanically inclined, and proficiency with tools, hands, math and fractions is a must.
- Ability to read blueprints and drawings
- Strong Knowledge of welding equipment
- High school diploma or equivalent
- Must be self-motivated and willing to learn new things. Possess the ability to work independently and/or with direction from manager.
- The individual should be able to work in a team atmosphere in a positive manner.
- The individual will work on repetitive, as well as versatile assignments.
- Basic Computer skills are necessary, and must be willing to learn our POS system.
- Establish and maintain excellent professional image and interpersonal relations with fellow employees and customers.
- Attention to detail and the ability to handle sometimes stressful situations.
- Attend product-training seminars.

Specific Responsibilities:

*TIG Welding of custom stainless steel hoses

*Fabricate custom hydraulic and industrial hoses, as well as gaskets

*Assist walk-in customers to determine needs, parts required, and advise of the best solution.

*Maintain and repair equipment

*Shipping and Receiving

*Assist with Inventory control, purchasing, counter sales, and phone orders and quotes

*Help maintain the organization and cleanliness of the shop/warehouse

The company offers:

- Paid Vacation
- Sick/personal time
- Profit Sharing and Bonus
- 100% of employee Health Care premium
- Optional Dental and Vision
- Life and Accidental Death Insurance
- 401K plan after 1 year

Drug Free Environment: Must have clean and valid license and transportation to work.

Salary based upon experience and ability to TIG weld.
