

## Quality Lab Technician – Osceola, AR

At Nutrien, our Purpose is to **grow our world from the ground up** and we do so with safety and integrity as our core values. Nothing is more important than sending our people home safe, every day.

**Nutrien Ag Solutions is the retail division of Nutrien™**, the largest crop inputs company in the world. As part of our collective mission of Feeding the Future, Nutrien Ag Solutions provides full-acre solutions through our trusted crop consultants at more than 2,000 locations in North America, South America, Europe and Australia. For more than 150 years, we have been helping growers achieve the highest yields with a wide selection of products, including our proprietary brands: Loveland Products, Inc.; Proven®Seed and Dyna-Gro®Seed; as well as financial, custom application and precision ag services.

We harvest the best. Diverse views and experience make us strong. We look for people who have a safety-first mindset, who are collaborative team players, who deliver on their commitments, who are innovators in search of a better way, and who believe in inclusion.

Working at Nutrien Ag Solutions will provide you an opportunity to help us *Feed the Future*, and grow your career.
